ENROLLMENT OF 7,183
SETS RECORD AT UM

MISSOULA---

Enrollment of 7,183 students at the University of Montana through Friday, Oct. 4, is a record at the Missoula institution and represents a gain of 11.8 per cent over a seven-day enrollment period in 1967.

UM Registrar Leo Smith reported the enrollment gain and said he expects total gross enrollment for the fall quarter to reach "7,225 by the end of this week." Total gross enrollment for the last fall quarter was 6,471.

The percentage gain so far this fall nearly doubles the 6.3 per cent gain recorded last fall at UM and far outdistances the 1.2 per cent boost recorded in 1966.

Through Friday a total of 763 more students had registered for UM classes than a year ago. That figure nearly doubles the student increase of 386 from 1966-67.
